Where the Money Goes

Wesley youth ministries is partnering with Solace for the Children (<http://sight.solaceforthechildren.org/>) to help provide medical treatment to the children of Afghanistan. The treatment is always life changing and often lifesaving. All proceeds from the 5K and Fun Run will go towards the medical treatment of Afghan children through Solace for the Children.

The youth of Wesley have been involved in helping Afghan children since 2008; they hope that they will be able to help more Afghan children receive the medical treatment they need.

One of their stories

Farida lives in Helmand. She lost her eye in an IED blast that killed three of her siblings leaving only her and her sister Ferishta (who is also in need of medical treatment). Farida will attend the 2012 Solace program with the hope that she is a viable candidate to receive a prosthetic eye.
